

City of Conover

Parade/Street Closing Application

Parade/Street Closing Permit

No person shall engage in, participate in, aid, form, or start any parade or street event unless a permit shall have been obtained from the City of Conover, provided that no person may conduct or otherwise participate in any parade or street event between 9:30 p.m. and 6:00 a.m.

An application for a permit shall be filed with the City at least three (3) business days and no more than one-hundred eighty (180) days before the time at which it is proposed to conduct the parade or street event. The City will not approve any application for a permit when the city manager finds that there is a conflict in schedule with some other event for which a permit has already been granted.

Within two (2) business days after the filing thereof, the City shall issue a permit based on criteria as cited in the City's Parade and Street Closing Permit Ordinance.
