

## INCIDENT 138247; Thornburg Dr NE at Conover Blvd E (Fire Station 1)

September 24, 2010; 1911 hours

Conover Fire Department was dispatched to a reported MVC on Thornburg Dr NE at the intersection with Conover Blvd East, at Fire Station 1. Upon arrival, FD personnel found a two vehicle MVC with heavy frontal impact damage on both vehicles. Initial report on dispatch was that the collision involved an ejection of a passenger in one of the vehicles; however fire department personnel reported no ejection after arriving on scene. MVC injuries consisted on three patients, all the minor injuries and only one victim being transported by Catawba County EMS to the medical facility. Fire Department personnel remained on scene for vehicle removal and traffic control while Conover PD investigated crash. Traffic along Thornburg Dr. NE and Conover Blvd East was detoured around the scene for approximately 30-minutes. With the assignment complete, all personnel returned to quarters.

Agencies on scene: Conover Fire Department, Conover Police Department, Catawba County EMS, Newton-Conover Rescue Squad

FD Equipment: Engine 1, Engine 2, Chief 159

FD Personnel: 8 on scene
