

Incident 020698 MVC; March 2, 2009; County Home Road NW

Conover Station 15 was dispatched to a reported MVC in the 1200 block of County Home Road NW. Upon arrival of 15-E2, FD personnel reported a single vehicle accident with the vehicle on its side. All occupants exited the vehicle prior to FD arrival with assistance of other drivers. Both patients, mother and small child, were treated by FD personnel and were turned over to Catawba County EMS for transport to the hospital with non life-threatening injuries. FD remained on scene until vehicle was cleared by wrecker service and assisted Conover PD with traffic control to allow Conover PW's to apply salt to the roadway. Roads in the area were iced covered from the Winter Storm that hit the area on March 1, 2009. No other fire hazards, assignment complete. JHM 150. 03/02/2009.
