RE: No Regular June Planning Board Meeting

The regularly scheduled Planning Board meeting for Tuesday, June 21st, 2016 will not be held.

We are happy to report the Lyle Creek Greenway construction is complete. The ribbon cutting was held Saturday, and a fun run is scheduled for the 25th.

Sidewalk Construction has started on Hwy 16 and Conover Blvd E. You will see traffic control and a detour in the Walmart area while the construction is underway. The total length of sidewalk to be constructed for the two sections will be .8+/- miles and bridge two gaps in our sidewalk system. Planning Staff will be working with the contractor and NCDOT on a daily basis in managing the grant funding and construction observation.
