

MEMORANDUM

July 14, 2016

TO: Planning Board Members
FROM: Lance Hight, Planning Director

RE: No Regular July Planning Board Meeting

The regularly scheduled Planning Board meeting for Tuesday, July 19th, 2016 will not be held.

Staff has been working on several projects, of which we will update the board at the August meeting. Staff has completed two grants for transportation funding. One will add some safety improvements around the rail crossing downtown to the existing 1st Avenue South pedestrian project, and the other is seeking funding for replacing the former Exit 131 interstate 40 ramps.

As you all have likely seen, the sidewalk project along Hwy 16 N, and Highway 70 is underway. Curb and gutter, drainage, and sidewalk construction has been going on for the last few weeks. The contractor anticipates completion toward the end of September.
