Incident 057715

June 9, 2009

ZENITH FREIGHT LINES LLC
210 DEHART MOTOR TERMINAL RD SW
CONOVER, NORTH CAROLINA 28613

Conover Fire Station 15 with automatic mutual aid from Newton Fire Station 19 was dispatched to a reported working structure fire at 210 DeHart Motor Terminal Rd SW. Upon arrival of Fire Department personnel and apparatus, first arriving Fire Department officer reporting working fire to a vehicle located outside the structure and reporting smoke showing from bay 5 of Building #3.

Fire Department personnel entered Building #3 checking for fire involvement and reporting no visible fire extension to structure, reporting only heavy smoke at ceiling level from vehicle fire which was inside the structure. Fire was contained to the vehicle of origin and smoke damage to Building #3 (bay area and office area). On-site personnel from Zenith Freight had pulled vehicle from interior of structure to the outside of the structure prior to Fire Department arrival.

Fire attack was initiated with (1) 1-3/4 inch attack line from 15-E1 on the vehicle fire, water supply from 15-E2. Personnel continued with fire containment and overhaul of vehicle fire. Additional fire personnel were directed to check structure for extension and initiate smoke removal.

Control time issued at 0638 hours on vehicle fire. Personnel also reported structure is clear at same time.

Fire Department contained run off of water into storm water system by securing the catch basin with a tarp and oil-dry bags from 15-E1.

All hazards were secure at 0706 hours, nothing further needed from Fire Department and all apparatus and personnel were clear scene. All personnel reported back to headquarters to ready apparatus and equipment. Assignment Complete. JMH 150. 06092009.
