RE: Conover City Park Public Workshop/Open House at Conover Station and Park  
No Regular August Planning Board Meeting

The regularly scheduled Planning Board meeting for Tuesday, August 19<sup>th</sup>, 2014 will not be held.

In lieu of the meeting, the City will be hosting a public workshop and open house to seek public input on potential future improvements to the new park. Staff will be working to update the existing park master plan, of which public comment is essential. This will help us to have a more competitive grant application to the Parks and Recreation Trust Fund. All Planning Board members are invited to drop by from 5-7 and participate and share ideas.
