

CONOVER CITY PARK DAMAGE

On December 23, 2019, shortly before 4:00 p.m., a motorist lost control of their vehicle and collided with the pavilion at Conover City Park. Significant damage occurred to the pavilion. The City has enlisted the help of a structural engineer to assess the damage. Repairs will be slow as parts are ordered from the original manufacturer and have an eight week lead time. We anticipate the work to be complete sometime in April or May. In the meantime, the rest of the park will remain open to the public.

Planning Ahead:

City Council: Meets the first Monday of each month at 7:00 p.m. at Conover City Hall
Planning Board: Meets the first Tuesday of each month at 6:30 p.m. at Conover City Hall

Snow Removal Schedule

When roads become impassable due to fallen snow or ice, the Street Department has several objectives. These objectives include providing clear passage for emergency vehicles, reducing hazards for motorists and pedestrians, and minimizing the economic loss to the community caused by the workers' inability to travel to their respective jobs.

When roads reach impassable conditions, arterial roads (major roads and streets that carry large volumes of traffic) are given first priority. These roads are scraped as bare as possible following two or more inches of snow accumulation, then once every four hours, unless extreme conditions require that more frequent scraping be done. Parking lanes and shoulders will be cleared as soon as the travel lanes are open. Further, collector streets (general access and residential streets) are scraped following three or more inches of snow accumulation and plowed every four to five hours as conditions dictate.

If ice conditions are anticipated the City has the means to Liquid Brine the streets prior to icy conditions. Each quadrant of the City will be dealt with equally. When extreme cold conditions exist, sand will be spread in lieu of brine treatment. The City does scrape some state roads, excluding Interstate 40, in residential and downtown areas.

Please refrain from parking on the street during snow or ice events so the Street Department has access for maintenance for snow removal.

For more information on road conditions during snow or ice periods, call the Public Works Department at 464-4808, or the Catawba County Communications Center at 464-3112.

CITIZENS POLICE ACADEMY

The Conover Police Department is seeking those that are interested in attending the Citizen's Police Academy.

The Citizens Police Academy is designed to inform participants of the daily operations of the Police Department and City services. Participants will have a chance to see what is involved in providing services to Conover citizens. The Citizens Police Academy will meet at 6:00 p.m. until 8:00 p.m. each Thursday for 9 weeks. Each class is taught by a member of the Police Department or City staff, and will detail the functions, procedures, services, and duties that encompass the Police Department and the City of Conover. Some of the topics covered will be: patrol, investigations, code enforcement, and narcotics.

Interested applicants are encouraged to contact Lt. Robert Clark at robert.clark@conovernnc.gov or the Police Department at 828-464-4698. Visit www.conovernnc.gov/cpa for more information.
