

City of Conover COVID-19 Update

The City of Conover is suspending disconnection of utility services for non-payment of bills and will not assess late fees during the months of March and April to ensure individuals have access to potable water during the COVID-19 pandemic. The City of Conover respectfully asks anyone who is ill or sick, to stay home. We encourage citizens to take advantage of one of our many convenient ways to pay utility bills while practicing social distancing:

City of Conover Park/Facility Use and Special Event Policy

The City recognizes that organized events are an important service for our community to bring citizens together, promote community awareness and improve quality of life. In an effort to better accommodate special events held on public properties, the City has developed a policy establishing rules, regulations, requirements and general responsibilities for persons and/or organizations desiring to hold such events.

For additional information regarding the policy or permit required for holding such events, please contact the City of Conover Planning Department at 828-464-1191.

Conover Spring Cemetery Clean-Up

The City is having its annual Spring Clean-Up on April 6th and 7th, 2020. Those who have loved ones in any of the City cemeteries should be advised that the City cemetery maintenance staff will be removing all weathered or out-of-season flower arrangements. Also, any toy, trinket, vase, jar or anything determined unsightly or undesirable by the City will be removed. Please have your personal items removed by April 6, 2020. All new flowers may be put out April 8th and must be displayed in permanent vases attached to markers.

For further information or questions, please contact City hall at 828-464-1191.

Annual Litter Sweep Day

The City of Conover is holding its Annual Litter Sweep Day on Saturday, April 18, 2020. We encourage you to stay busy and lend a helping hand to assist with the beautification of our community. The City will provide trash bags, safety vests, and gloves. Supplies can be picked up after 8:30 a.m. at Conover City Park. We will provide you with a map with designated routes, or you can pick your favorite street. Bags of litter will be left on the side of the road; the City's sanitation crew will pick them up when the event is over.

While we are asking you to come together as a community, we must remind you to practice social distancing during this time to help reduce the spread of COVID-19.
