## Public Comment Period for Water & Sewer System Development Fees

A public comment period is open until May 17<sup>th</sup> for the City of Conover's Water & Sewer System Development Fee Analysis and Recommendation. These fees are designed to recover all or a portion of the capital investment made by the City to provide sufficient capacity in its system to serve new users. It should be emphasized that SDFs are charged to only new customers and consequently save existing users substantial capital costs over time. Please visit this link for more information or to provide public comments: <http://bit.ly/coc-sdf>
