Conover City Park Expansion

We are happy to announce plans for the Conover City Park expansion. City crews have already removed the excess dirt from the undeveloped 2.5 acres west of the storm water ponds at Conover City Park. This expansion will add more than 1,500 linear feet of trails to the park. New amenities will include a third playground for school-aged children, outdoor fitness equipment, bocce, pickle ball, and a pollinator garden. The centerpiece of the park expansion will include a 1,500 square foot outdoor amphitheater with grass seating for more than 1,000 people. Construction on elements of the park will begin this Fall with an anticipated opening of the park in Spring of 2019. For more information about the park please come by City Hall.

The Splash Pad at Conover City Park is OPEN 7 days a week from 11am to 9pm!
