Safer Trade Zone

The Conover IT Department, in coordination with the Conover Police Department, is happy to announce the establishment of a “Safer Trade Zone” in an effort to help keep people safe when making purchase and sale exchanges via internet sites like Craigslist and Facebook Market Place, as well as safe child custody exchanges. This zone is open to the public 24 hours a day for any legal transaction, however making exchanges during daylight hours is always safer. Meeting someone you don’t know in a safe location reduces the chances of victimization and eliminates the need to give a stranger your home address.

Two parking spaces at the City Hall parking lot (under the water tower) have been designated as the “Safer Trade Zone” and are clearly marked with blue “Safer Trade Zone” signs. These spots are under 24-hour video surveillance and the close proximity of the Conover Police Department will provide an additional level of security. www.conovernc.gov/stz

We offer information on resources for adults, their families and caregivers. We at Neighbors Network believe that everyone should have the opportunity to “Thrive in Community.”

We are proud to announce that Neighbors Network, Inc. has been designated as a Multi-Purpose Senior Center for Catawba County by the state of North Carolina. This is an opportunity to showcase your organization!

Neighbors Network invites you to join us as a vendor for our “Thrive in Community” Marketplace. This is a sidewalk event that will be held at the Conover Station in Conover in late September.

Our Marketplace will provide focus for adults in four areas:

- 1. An immersion in the Arts.**
If your organization is based in the Arts, this is a great way to create public awareness of your services, programs, or volunteer opportunities.
- 2. Volunteer Opportunities.**
If your organization thrives with the support of volunteers, use this opportunity to make the community aware of the options your organization offers.
- 3. Resources and Services.**
If your organization provides innovative resources or services for older adults, join us for an occasion to share your information with the community.
- 4. Local Business.**
If your organization is based in Conover, come gain exposure and use this opportunity to connect with individuals that believe in supporting local business.

To reserve your booth register on our website at www.NeighborsNetwork.org or call Dianna Osborne at 828-464-1111.
