RE: No March Planning Board Meeting

The regularly scheduled Planning Board meeting for Tuesday, March 5, 2019 **will not** be held.

The next meeting will be Tuesday April 2nd, 2019. At this meeting staff will review priorities and comments received from City Council at their recent Budget Retreat (to be held on Saturday February 23, 2019). Among other things, staff will be presenting ideas for encouraging residential and mixed-use infill development for areas close to the downtown area. Staff will be asking Council for direction for a number of considerations.

Staff will also take the wording amendments that were reviewed and recommended for approval by the Planning Board in February to Council at their meeting coming up on March 4, 2019. Erik Schlichting recounted public parking both on-street and in public lots and the number of spaces totals are even higher than we thought: 844 spaces. See attached map.
