RE: Special Planning Board Tour: New Perfect Workout building at Conover Station

In lieu of a regular meeting of the Planning Board, we would like to invite all Planning Board members to take a tour of the new Perfect Workout building and site at Conover Station. This impressive facility just opened and is an amazing addition to the Conover Station project on which you as Planning Board members have played a key role in the past decade.

We hope you will attend. We will meet at the front of the building at 5:30 Tuesday, October 20<sup>th</sup> and be given a guided tour of the facility. If you have any questions, or would like additional information, don't hesitate to contact me.
